Windshields can and do get chipped or cracked when RVing. Take advantage of our **Windshield Protection** and avoid costly charges should your windshield become damaged during your vacation.

If CanaDream Peace of Mind (CPM) is not purchased at the time of pick up and service is requested due to Guest/Guests' error, CanaDream personnel will dispatch service at the request of the Guest; however, the costs of the service will be the responsibility of the Guest.

CPM is offered as an optional product. By accepting the CPM option, a daily charge will apply for each full and/or partial day. The limit of benefit is \$400 per incident. CPM is only valid for vehicles requiring service in authorized travel areas at the time service is required. CPM will become null and void if you or any authorised driver act recklessly resulting in an emergency service call. Reckless and intentional acts may include, but are not limited to, driving in restricted areas, driving while intoxicated, allowing an unauthorized driver to operate the vehicle, etc. In those instances roadside assistance will be available, but standard charges will apply.
