

**FALL  
INTO  
SAVINGS!**

## The best time to purchase an RV!

If you're currently looking into buying a CanaDream RV and want to choose from our largest inventory while enjoying the very best pricing consider our **fall into savings** program.

Select the year and the model of coach you're interested in now, make a small deposit and take ownership of your CanaDream RV on October 1st. The discounted fall pricing is a direct result of the revenue we earn from Guest use activity throughout the summer and this value translates to excellent savings for you.

### Terms & Conditions

- \* Customers can choose the year, make and model of CanaDream motorhome they wish to purchase (but not a specific coach number).
- \* Customer provides a deposit of \$2500.00 as the commitment to purchase on or before October 1st, 2020 when the Guest fleet is released for the year.
- \* CanaDream cannot make commitments or guarantees of mileage at the time of delivery. Kms on any Guest coach at the time of delivery may be 25,000 km+ greater than at present.
- \* The customer will be contacted by their product advisor in the fall to make arrangements to pick out the coach of their choice, and to pay the remaining balance based on pricing provided at the beginning of this process.
- \* First trip full-wrap warranty: Take your first trip and if you encounter anything that is part of the Mechanical Fitness Assessment (AMVIC\*) or our Coach Pre-Delivery Inspection (PDI), outside of normal wear and tear or ill usage, simply contact us upon your return to arrange a Service Appointment with one of our service centers. We will repair these deficiencies at our cost. All you have to do is get the RV to us, and then come pick it up when it's done. We appreciate that some customers do not use their RV right away, so your first trip can be any time up to 6 months after you take delivery of your CanaDream RV.
