

We hope you are having a great CanaDream road trip and enjoying your RV.

We have a few simple directions for you to follow before you return to our station:

If you or any of your travelling party have any of the COVID-19 symptoms or have been in close contact with anyone who has tested positive for COVID-19, **please do not enter our building.**

The Government of Canada lists symptoms of COVID-19 as:

- new or worsening cough
- shortness of breath or difficulty breathing
- temperature equal to or over 38°C
- feeling feverish
- chills
- fatigue or weakness
- muscle or body aches
- new loss of smell or taste
- headache
- gastrointestinal symptoms (abdominal pain, diarrhea, vomiting)
- feeling very unwell
- Children have been more commonly reported to have abdominal symptoms, and skin changes or rashes.

Please call our station the day before your drop off and we will make special arrangements for your drop off. This may require a specific parking location away from our reception area. When you arrive at our station, please stay in your RV and call us. We will perform the drop off at a social distance and allow you to unpack and travel onwards without entering our station or having any close contact with our Cast. Your RV will be placed in quarantine and the final drop-off checks will not be completed for a few days.

Travel into the USA is currently restricted and non-essential travel is prohibited. Guests are required to inform CanaDream if they have permission to enter the USA and plan on going into the USA with their RV. Guests who have been in the USA will be required to follow the same process as above for drop off.

For all other returning Guests:

- **Face Mask** wearing is encouraged to help prevent the spread of Covid-19.
- Please use **hand sanitizer** when entering the building.
- Only one member of the travelling party should enter our building **and report to Reception or our Guest Service Desk** on arrival and wait for further instruction.
- Please always observe social distancing measures on our grounds.

Thank you for your compliance and your understanding.
