

Frequently Asked Questions

- **What age must a child be to travel in an Apollo Motorhome Holidays vehicle?**

Children of any age are welcome to travel in our RVs. It is the Parent/Guardian's responsibility to ensure all children are properly secured in an appropriate child restraint device for their weight and height.

- **Which types of seat belts are in the rear cabin of Apollo Motorhome Holidays vehicles?**

The rear cabins of our RVs are equipped with lap belts only.

- **In addition to side-facing and rear-facing seats, are there forward-facing seats in the rear cabin of Apollo Motorhome Holidays vehicles?**

Yes. There are forward-facing seats in the dinette or on the rear sofa. The number of forward-facing seats in the rear cabin differs based on the type of vehicle rented. For further detail, please reference the table below.

- **Do Apollo Motorhome Holidays vehicles contain tether points or anchors?**

Most, but not all, of our RVs contain 1 or 2 tether points. Our RVs do not contain anchors. For further detail, please reference the table below.

- **Do Apollo Motorhome Holidays vehicles contain tether points or anchors?**

Most, but not all, of our RVs contain one to two (1-2) tether points. Please reference the chart below for further detail. Our RVs do not contain anchors.

- **Who is responsible for fitting the child restraint device in the vehicle?**

It is the Parent/Guardian's responsibility to fit the child restraint device in the vehicle. The Parent/Guardian should ensure all children are properly secured in an appropriate child restraint device.

- **Is it possible to deactivate the front passenger seat airbag in an Apollo Motorhome Holidays vehicle?**

No. It is not possible to deactivate the front passenger seat airbag in any of our RVs.

- **Do you have child restraint devices available for rent?**

Yes, Apollo offers the Evenflo Symphony child restraint (Infant Seats, Child Seats & Booster) available to rent for a fee. User manuals: ENGLISH FRENCH SPANISH.

All our child restraint devices meet federal safety standards. We recommend advance booking to ensure availability.

- **Can a Booster Seat Be Used in an Apollo Motorhome Holidays vehicle?**

Yes, but please be aware that the rear seats in our RVs contain only lap belts.

- **Can Parents/Guardians bring their own child restraint device?**

Yes. Guests can bring their own child restraint device.

Maximum Child Restraints Per Vehicle					
	Tourer	Pioneer	Sunrise Escape	Eclipse Camper	Wanderer
